For those students with conflicts on Saturday, there will be one audition on Sunday, September 12 at the Bluewater Bay Studio -- Register at 12:30 pm, Audition at 1:00 pm. Dancers must email the Director to confirm which Audition they will be attending. Sunday is only for those unable to attend on Saturday!

Plan to arrive early. Once the audition process has begun, dancers arriving late will not be permitted to audition. Please stay for your entire audition time, as it will be done in a class format. All performers must audition.

Performing in *The Nutcracker* is a wonderful growth experience for any dancer. Choosing to participate is a very serious commitment, and each dancer should be aware of the time and dedication which will be required.

We will have two performances, which will be held at the South Walton High School Auditorium on Friday, December 10, and Sunday, December 12, 2010. **Every dancer must expect to be at rehearsals on most of the weekends between auditions and the two December performances. Dancers age 10 and older must attend two or more ballet classes per week.**

There is also a financial commitment when you appear in *The Nutcracker*, including your audition fee of \$25 and a participation fee of \$50, which helps defray the cost of purchasing the rights to the music, renting the venue, producing the playbill, transporting props and flooring, extra studio time and rehearsals, and purchasing extra insurance, plus fitting and preparing nearly 100 costumes. Depending on the role, you may also be required to provide certain pieces of your costume, as well as shoes, tights, and hair pieces.

- Please arrive with your completed Audition Application package already completed, which includes this form, a check for the audition fee (\$25), and a "head shot" photo of the dancer with their hair down.
- Dancers will be measured by the Costume Mistress at the time of the audition registration.
- Dancers planning to audition are encouraged to attend two or more ballet classes each week. Attendance at two or more ballet classes a week is *required* for dancers 10 and older.

I have read the above information and understand that I am committing to fulfill the financial and time requirements necessary for participating in the 2010 production of *The Nutcracker*. If I fail to meet these requirements, including regular class attendance, I will not be allowed to participate in the *The Nutcracker*, and no refunds will be given.
